Pareto’s Law:
Explains that for many events, 80% of the results come from 20% of the actions. For example, 80% of your sales come from 20% of your clients, but for us as detailer, I say 80% of the cleaning comes from just 20% of the tools.

**THESE ARE THE BARE ESSENTIALS!** If you have or want more tools, then I encourage you to use them if it helps your detailing, or simply makes you happy.

**01 | TIME PURCHASES**
1. 3 five-gallon buckets with gamma seals
2. 3 grit guards
3. 1 large wheel woolie
4. 1 large wheel brush
5. Wet-vacuum with narrow crevice tool
