**WHY CARS HAVE BEEN CLEANED THE SAME WAY FOR THE LAST 50 YEARS REMAINS PUZZLING TO ME, AFTER ALL YOUR CAR'S PAINT IS LIKE SKIN. IT HAS PORES LIKE SKIN. IT BREATHES LIKE SKIN. IT NEEDS TO BE FED LIKE SKIN. THE AMMO APPROACH ISN'T TO TEAR DOWN, IT IS TO BUILD UP. AMMO IS ABOUT LAYERS. LAYERS OF PROTECTION. AMMO NYC IS THE FIRST COMPLETELY FUSSY CAR CARE COMPANY. LEARN TO PAMPER YOUR CAR AS YOU WOULD ANY THOROUGHbred THAT'S RIDDEN TO THE EDGE OF COMBUSTION. – LARRY KOSILLA**

AMMO FROTHe is a 20x concentrated Humectant that creates a thick shaving cream-like foam to protect the surface of your paint from scratching during a hoseless wash. Perfect for those without access to a hose, in water restricted areas, and in dusty, dry climates. Desert rally, top down. Both out of breath and thirsty. Drive towards the nearest cloud, wind moves the wheel, you tighten grip, dust settles. The air chills her wet skin, engine cools just enough to go flat out again. AMMO FROTHe is about "the drive". It's made for people who care about the way their car looks, as much as its performance. For a feast of information and helpful videos go to [ammonyc.com](http://ammonyc.com).

**DIRECTIONS** 1. Use only with a hand pump Humectant sprayer with wide fan tip (visit [ammonyc.com/pumpsprayer](http://ammonyc.com/pumpsprayer) for info). 2. Add 1 oz of FROTHe to the sprayer reservoir, then add 20 oz of warm water and shake. 3. Pump the sprayer to max pressure. 4. Evenly spray FROTHe in side-to-side motions, top down, one panel at a time. 5. Wipe in straight-line motions from top to bottom with microfiber towel. 6. Rotate the towel as it becomes dirty. 7. Switch to a clean microfiber towel and use HYDRATE for the final wipe for insane depth and shine.

**⚠️ ⚠️ DANGER: MAY CAUSE AN ALLERGIC SKIN REACTION.  
CAUSES SERIOUS EYE DAMAGE.**

Avoid breathing dust / fume / gas / mist / vapor or spray. If on skin: wash with plenty of water. Keep container tightly closed. Use in well ventilated area. Always wear eye and face protection, and chemical resistant gloves. If eye contact occurs, remove contact lenses, if present and easy to do. Continue rinsing. Irrigate copiously with clean, fresh water for at least 10 minutes, holding the eyelids apart. Wash hands with plenty of soap and water after use. Do not eat or drink when using this product. Keep out of reach of children. Always use as directed. Dispose of contents/container in accordance with local / regional / national / international regulations. For chemical emergency response center, contact 800.535.5053.
